

BUG REPORT for TEST CASE 1

May 20, 2023

Description:

“See All Bots” button does not give the user a response or display the available bots that are available in the game

Steps to Reproduce:

1. Go to <http://192.168.1.34:3000/>
2. Press the “See All Bots” button

Expected Results:

1. The page should display all of the available bots that are in the game.

Actual Results:

1. When the “See All Bots” button is clicked, nothing happens.

Environment:

- macOS 13.4
- Version 113.0.5672.126 (Official Build) (arm64)
